THE PEACE OF FORD.

The newspapers announce that Governor Capper is invited to Europe to assist Henry Ford in bringing about peace in Europe. knys the Emporta, Kansas, Ga- Henderson has promised the zette. Henry Ford makes the best automobile for the money they can get banks to eash them on earth. He is a splendid man the warrants for teachers shall and a public-spirited citizen. But he should know that just now there are other things besides peace that Europe needs more than peace. Peace today, brought paid warrants bear interest. The about by the intervention of out-bill was sent to Governor Henside powers, would leave the bel-derson and be veloed it. The figurents where they were before is why there is any trouble about war was declared. It would leave Germany free to arm and ed world. Peace should not their victory to disarm permanently the military party in Germany and leave the German peocivilization without the domina sick of war, will be willing to enter into an international compart to disarm, and to pledge all the remaining arms and munitions on earth to enforce the

terms of peace. At its outbreak this seemed a king's war. But today it is a war between the democratic ideas of the earth and the autocratic military ideas of the earth, and the German military party. which pretended to open the war for defense, is now demanding territory as its terms of peace. and there should be no peace until that party is thoroughly canquidied.

But a dishonorable peace, a mere ant than the peace of Ford; it in the "peace of God, which passeth understanding." When it is financially able to do so. comes it will bring victory for what is a century when a "thousthe night ?"
